Wasteconsult
Robert-Koch-Str. 48 b
D-30853 Langenhagen

Information about the event

Organizer: Wasteconsult, Robert-Koch-Str. 48 b,
30853 Langenhagen, www.wasteconsult.de
Tel. ++49 511 23 59 383 FAX ++49 511 23 59 384.

Conference venue: Maternushaus, Kardinal-Frings-
Straße 1-3, 50668 Cologne, Tel. ++49 221 1631 0
FAX ++49 221 1631 215 www.maternushaus.de

Registration has to be in written form (letter or fax) using this form. After receipt of your registration you will get the invoice which has to be paid within 14 days. After reception of your payment your conference ticket will be sent. The registration is binding. In case of being prevented alternative participants of the same institution are accepted without extra costs.

Cancellations: must be received in written form. In case of cancellation before 14th of May 2010 (date of reception at Wasteconsult) your payment less an administration charge of 50 Euro will be refunded. In case of later cancellation the registration fee will not be refunded, the conference documents are forwarded. If the conference is cancelled by Wasteconsult (this will only happen because of unanticipated reasons), the registration fee will be completely refunded. Further pretensions / requirements are excluded.

Included services: Lunch and 2 coffee breaks- with coffee and pastry are included at the first and second conference day. At the first conference day a dinner is also included. All delegates receive an issue of the conference proceedings in English language (if you selected German, you get the original language edition) or – if chosen by the organizer – a CD. Arrival and accommodation are not included in the registration fee and have to be organised and paid by the participants themselves.

Judicial: Only German law applies. Jurisdiction is Hanover, Germany. The organizer / Wasteconsult takes no obligatory supervision and is not liable for lost or broken objects, injuries, accidents and deaths.

Exhibition, advertisements in the conference proceeding issue a. sponsoring: Please discuss the modalities with Wasteconsult. Further informations you can find on the homepage www.euwm.eu .

Accomodations: The Maternushaus has a limited room contingent. You can find other accommodations on www.hrs.com or www.koeln.de

Tuesday, 8th of June 2010

9:00 Introduction and overview

1. Address of welcome; Reduce; re-use; recycle – a global necessity. *M. Kühle-Weidemeier, Wasteconsult international, Langenhagen, Germany*
2. Future is not an extrapolation of the past (CK Prahalad) – On the way to a global resource management. *B. Birnstengel, H. Alwast, A. Häusler, Prognos AG, Berlin, Germany*
3. The new waste framework directive and next steps in EU waste policy. *A. Versmann (asked), European Commission, Brussels*

10:30-11:00 Coffee break

Current situation and implementation of the waste framework directive

4. Poland. *K. Kulesza, Ministry of environment, Warsaw, Poland*
5. Germany. *A. Jaron, Ministry of environment, Bonn, Germany*
6. Belgium. *J. Wante, OVAM, Mechelen, Belgium*
7. France. *L. Ougier, ADEME, Angers, France*

13:00-14:00 Lunch

8. Great Britain. *J. MacIntyre, DEFRA, London, GB*
9. Greece confronted with the new waste framework directive. *A. Karagiannidis, Aristotle University of Thessaloniki, Greece*
10. Waste management in Romania: Past and present. *E. C. Rada**, T. Apostol*, M. Ragazzi**, I.A. Istrate*; *Politehnica University of Bucharest, Romania; **University of Trento, Italy*

Avoidance and waste management concepts

11. Implemented waste reduction measures as a basis for a German waste avoidance concept. *G. Dehoust, H. Wilts, P. Küppers, S. Bringezu, ARGE: Öko-Institut – Institut für angewandte Ökologie e.V./ Wuppertal Institut fuer Klima, Umwelt, Energie GmbH, Darmstadt, Germany*

16:00-16:30 Coffee break

12. Optimization model of integrated MSW management. *L. Nondek, Integra Consulting Services Ltd., Prague, CZ*
13. Evolution and optimization of a residential source separation scheme in a 15 year history: Quality and efficiency in the North Italian experience. *C. Garaffa, L. Mariotto*, A. Moriandi*, C. Roverato*, Novamot S.p.A.; *Idecom S.r.l. Italy*

ration scheme in a 15 year history: Quality and efficiency in the North Italian experience. *C. Garaffa, L. Mariotto*, A. Moriandi*, C. Roverato*, Novamot S.p.A.; *Idecom S.r.l. Italy*

14. Municipal waste management in Zagreb; Vienna or Neapel model?. *V Potocnik, Croatian Center Knowledge for environment, Zagreb, Croatia*
15. Strategy and implementation Plan for Integrated Solid Waste Management in Tehran. *S. Amir, N. Harati, Organization of Waste Recycling & Composting, Tehran, Iran*

18:30 End of today's program

18:50 Dinner

Wednesday, 9th of June 2010

9:00 Management of special waste flows

16. Hazardous waste classification and re-use (end of waste) by the new waste framework directive, CLP and REACH regulations. *M. Malicka, Malex Waste Utilization Company, Łódź, Poland*
17. Improvement of hazardous waste management in Turkey through introduction of a web-based system for data collection and quality control. *V. Küchen and N.N., Argus GmbH, Berlin, Germany*
18. DIRECT-MAT – Developing best practice on recycling or safe disposal of road materials in Europe. *K. Mollenhauer¹, M. Arm², Y. Descantes³, C. de la Roche³, K. A. Pihl⁴, L. Gaspar⁵, M. de Lurdes Antunes⁶, L. De Bock⁷, C. McNally⁸; ¹Technische Universität Braunschweig, Institut f. Straßenw., DE, ²Swedish Geotechnical Institute (SGI), ³Laboratoire Central de Ponts et Chaussées (LCPC), FR, ⁴Danish Road Institute (DRI), ⁵Institute for Transport Sciences (KTI), HU, ⁶Laboratório Nacional de Engenharia Civil (LNEC), PT, ⁷Belgian Road Research Centre (BRRC), ⁸University College Dublin (UCD), IRL*
19. Legal requirements and practice of the transport of healthcare waste within the European Union. *K. Brück, Grupo Athisa, Spain; P. Ramalho, Biotask, Portugal*

11:00-11:30 Coffee break

Recovery of plastics and other types of high calorific waste

20. Plastic flows from production to (optimized) recovery. *R. Fehringer, denkstatt, Vienna, Austria*
21. Evaluation of system costs for the use of plastics with regard to disposal costs. *R. Schu, EcoEnergy, Walken-*

ried, Germany

22. North London Waste Authority –Waste Services & Fuel Use Procurement. *E. Ling, T. Judson, North London Waste Authority, GB*
23. Formula for energy efficiency – meaning and application. *W. Hauer, Technisches Büro Hauer Umweltwirtschaft GmbH, Korneuburg, Austria*

13:30-14:30 Lunch

Increasing energy efficiency in waste to energy processes

24. Comparison of implemented and possible measures to achieve the energy efficiency criteria. *R. Schu, EcoEnergy, Walkenried, Germany*
25. Increasing energy efficiency: A plant manufactures view. *S. Kipp, Keppel Seghers Belgium NV*
26. Achieving a high energy efficiency at the EBS power plant Stavenhagen. *K.-H. Plepla, Nehlsen Entsorgung Neubrandenburg GmbH & Co. KG, Germany*

16:00-16:30 Coffee break

Material specific waste treatment

27. French national household waste characterisation survey. *E. Fangeat, ADEME, Angers, France*
28. Sensor based sorting: A key technology for sustainable waste management. *T. Pretz, Department of Processing and Recycling, RWTH Aachen University, Germany.*
29. Comparison of methods for the treatment of mixed municipal waste from households. *J. Mitterwallner, W. Himmel, Styrian Government, Austria*
30. Pre-processing of municipal solid waste before anaerobic digestion – CAPEX and OPEX as model calculation. *M. Langen, HTP Ingenieuresellschaft Prof. Hoberg & Partner. Aachen, Germany*

18:30 End of the conference

Our next conferences:

Waste-to-Resources – 4th International Symposium MBT & MRF: 24th – 26th of May 2011

Landfill Practice and Technology: 06th – 07th of June 2011
